100% Cotton (organic)

Whether you're cosying up on the sofa or heading for the gym, the organic sweat pants will enhance the experience.

Sustainably made from pure organic cotton, these pants were designed with one thing in mind - comfort.

The fabric has a pleasantly soft feel and the pants have an adjustable, elasticated waistband.

There are two side pocket for important little items.

The printed logo near the left pocket provides a discreet style accent.
